	APPROVAL OF STATE ENGINEER
	This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the
unde term othe revo or a and meas must of W lowe for main Stat use	Wing limitations and conditions: This permit to change the point of diversion of a portion of the waters of an reground source as heretofore granted under Permit 23324 is issued subject to the s and conditions imposed in said Permit 23324 and with the understanding that no r rights on the source will be affected by the change proposed herein. This permit is issued subject to existing rights and is further subject to cation if and when water can be furnished by an entity such as a water district municipality engaged in furnishing water. A totalizing meter must be installed maintained in the discharge pipeline near the point of diversion and accurate urements must be kept of water placed to beneficial use. The totalizing meter be installed before any use of water begins, or before the Proof of Completion ork is filed. It is understood that this right must allow for a reasonable ring of the static water level. The well shall be equipped with a 2-inch opening measuring depth to water. If the well is flowing, a valve must be installed and tained to prevent waste. This source is located within an area designated by the e Engineer pursuant to NRS 534.030. The State retains the right to regulate the of the water herein granted at any and all times. The total combined duty of water under this permit and Permits 45555 and 45556 l not exceed 635.0 acre-feet per year.
The	amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not
to ex	ceed 0.5 cubic feet per second, but not to exceed a yearly
to e	of 5.0 acre-feet per acre of land irrigated from any and/or all sources and not xceed 362.0 acre-feet annually. must be prosecuted with reasonable diligence and be completed on or before December 28, 1983
Proof	f of completion of work shall be filed before
Appl	ication of water to beneficial use shall be made on or before
Proof	f of the application of water to beneficial use shall be filed on or before January 28, 1985
_	in support of proof of beneficial use shall be filed on or before
	of beneficial use filed my office, this 28th day of DECEMBER,
